ABOUT THE EVENT

The second annual edition of **Language Bites**, a unique a **fundraising event** celebrating the power of multilingualism and cultural diversity. Hosted by ReDefiners at Donatello Italian Restaurant, this evening promises to be filled with engaging conversations, delicious food, and inspiring stories.

Individuals connect and share the same passion for education and community engagement, while learning about the impactful work of ReDefiners World Languages.

- Date: October, 1st from 6PM to 8PM
- Location: 232 N Dale Mabry Hwy, Tampa
- Tickets: \$60, including a selection of tapas (calamari & pasta) and a glass of Prosecco

Why Sponsor

Community Impact

Sponsors can directly contribute to the success of programs like the **Academic Achievers Program**, helping at-risk children improve their English literacy.

Brand Alignment

Associating with a cause that promotes education, cultural diversity, and community engagement can enhance the sponsor's brand image.

Networking Opportunities

Sponsors will have the chance to engage with other business leaders, educators, and community advocates.

Publicity

Exposure through event marketing, press releases, social media mentions, and on-site branding can increase the sponsor's visibility.

Corporate Social Responsibility

Supporting ReDefiners can enhance the sponsor's CSR initiatives and demonstrate their commitment to community development.

What are you supporting?

You are not just sponsoring an event, you are sponsoring the lives of hundreds of children who are at risk of not reading at grade level.

Academic Achievers Program: This **free** program provides vital literacy tutoring to K-5 children struggling to read at grade level. At ReDefiners, we recognize the diverse learning needs of every child, especially those not fully met in traditional classrooms. Our one-on-one English literacy tutoring ensures these at-risk children gain the skills needed to thrive academically and achieve grade-level proficiency.

100% of students who finish the program are able to read at grade level, which translates into academic improvement over time.
